

Dear Parents/Guardians,

2026 Student Resource Scheme (SRS) – Annual Parent Information Letter

Foxwell State Secondary College operate a Student Resource Scheme (SRS). This document contains important information about the 2026 Student Resource Scheme (SRS) including how the scheme operates and the annual participation fee. If you have previously opted in to the SRS your participation is assumed for the remainder of your child's enrolment, unless you inform the school otherwise by completing a new participation agreement form. If you are a new parent to the school, this information will assist you in making a decision as to whether you wish to participate in the SRS.

What is provided by the Queensland Government?

The Queensland Government supports children's education by providing funding for instruction (teachers), facilities (school grounds and buildings, internet), and administration (staff to run the school). Funding for schools does not extend to individual student resources such as textbooks, equipment for personal use, and many items used by the student in the classroom.

The SRS helps parents to source these resources. The school can purchase resources at lower rates due to its bulk buying power. Resources such as textbooks or musical instruments that will be used over a period of time are hired to students to further reduce costs for families. Participating in the SRS also offers a convenient way for parents to source the items that their child needs for school, and ensures that all students have access to the same standard of resources.

The types of resources that will be included are:

- Owned by the student – e.g. student diary etc – once provided, these items are retained by the student and used at their discretion.
- Hired to the student for a specific duration of time – e.g. textbooks, novels and musical instruments – these items will need to be returned to the school in reasonable condition at the end of the hire period or if the student leaves the school.
- Used in class – e.g. stationery, timber, materials, workbooks – these items will be used in class. Finished products that are created from these resources will generally come home with the student.

The Textbooks and Resource Allowance (TRA)

The Department of Education provides a Textbooks and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Year 7 to 12 students.

For those students who are eligible to receive the TRA, the TRA will be applied to reduce the cost of participation as shown in the table below. The SRS invoice you receive will be the full cost of participation in the SRS minus the TRA already held at the school.
