

Investing for Success

Under this agreement for 2020

FOXWELL STATE SECONDARY COLLEGE will receive

\$81,566*

This funding will be used to

- Support student attainment in NAPLAN testing with a minimum of 95% of students achieving at or above the 2020 National minimum standards in Reading, Writing and Numeracy.
- Support student attainment at the Upper 3 Bands in Reading, Writing and Numeracy.
- Improve teacher capacity in delivering quality teaching and learning, with a focus on Deep Learning, through professional development and mentoring.

Our initiatives include

- Embedding the Quality Teaching and Learning Framework across the school with a focus on New Pedagogies for Deep Learning, High Impact Teaching Strategies, Case Management approaches and Cycles of Inquiry.
- Embedding Positive Education across the school.
- Providing professional development to all staff in relation to our Quality Teaching and Learning Framework and Positive Education.
- Providing student's access to What I Need (WIN) time to support their literacy, numeracy development.
- Providing targeted extension or intervention activities for students to achieve improved literacy and numeracy outcomes.

Our school will improve student outcomes by

Engaging in coaching and professional learning opportunities related to New Pedagogies for Deep Learning.	\$26 566
Engaging in ongoing implementation and development of Positive Education across the school with targeted professional development and purchasing of associated resources.	\$15 000
Employing staff to provide WIN Time opportunities for students.	\$30 000
Providing Personalised Learning Programs for identified students	\$10 000
